# EDITORIAL

Every year we put out this souvenir which some might consider a collection of pages with ink but to us it represents the endless hours of hard work and dedication our volunteers and donors have selflessly devoted to the noble cause of PWA.

This souvenir is a witness to the untiring efforts our volunteers have made to get this organization to stand where it does today. These pages tell stories of their dreams, hope and courage.

Looking back at our journey I can undoubtedly say we have grown bigger and better each year. We have remained to stay focused and committed to our cause. Even after thirty-nine years of serving the helpless, our enthusiasm did not die. And with the will of the Almighty, it never will.

Our efforts will continue to change lives. Our stories will continue to inspire. You may not know our names but here is an effort to introduce you to our struggle.

**Happy reading!**

# PROLOGUE

*“You make a living by what you get. You make a life by what you give”*

*-Winston Churchill*

Sometimes a small action can make magic.

Such action was initiated by three students of Dow Medical College after observing the conditions of Civil Hospital Karachi. They had a dream and since then successive volunteers have lived up to that dream of serving the less fortunate.

Beginning in 1979 with a few medicines in a cabinet,

**Patients Welfare Association**

has become the largest non-government, not political student run organization of Pakistan.

No one can do everything but everyone can do something.

The generosity of donors and the selflessness of volunteers keeps the spirit of PWA alive.

May this organization live long and may we continue to serve our people

with devotion and selflessness.

**PWA**  
**AN INSIGHT**

## AN INSIGHT INTO PWA

*"No act of kindness, no matter how small, is ever wasted."*

Our little deeds of kindness can make a big difference in someone's life and when they are done selflessly, we are rewarded with the unimaginable. Here at PWA, students of Dow Medical College have been working dedicatedly, ever since its establishment in 1979, to improve the lives of the patients of Civil Hospital Karachi and beyond. PWA is the largest student run, non-profitable, non-political welfare organization situated in Civil Hospital Karachi and run entirely by the students of Dow Medical College. What started thirty-eight years ago from a single cabinet of medicines has now grown into a multi-departmental organization which provides the following services to the patients of Civil Hospital Karachi.

### **BLOOD TRANSFUSION SERVICES:**

It has been almost thirty-five years since the Blood Bank was established in 1982. It is registered by the Sindh Blood Transfusion Authority (SBTA). It is a source of more than 280 blood bags providing packed cells, fresh frozen plasma and mega units of platelets on daily exchange basis completely free of cost. PWA ensures provision of disease free blood through its most advanced blood screening CLIA technology which screens the blood for major infections like HIV, Hepatitis B, Hepatitis C, Syphilis and Malaria to ensure the health of all recipients.

### **DRUG BANK:**

The Drug bank, which formed the foundation of PWA, was established in 1979. It started as a single cabinet of medicines and has now expanded to a full-fledged functioning pharmacy. Our drug bank holds all the necessary medications, expensive injections and caters to the requests of the admitted patients of CHK as well as to patients of thalassemia registered by PWA.

**THALASSEMIA SERVICES:**

Thalassemia is a lifelong, hereditary blood disease. The only treatment for which is blood transfusion followed by a therapy called iron chelation therapy. PWA provides blood transfusions and medications on a regular basis along with regular follow-ups to the registered patients. The department of Thalassemia Services was established in May 2011. We are currently providing patients with complete medical treatment under the guidance of a qualified hematologist, free of cost.

## PWA-A SHARIAH-COMPLIANT ORGANIZATION

*"Charity does not in any way decrease the wealth."*

[Sahih Muslim – Book 032: Hadith 6264]

We would like to bring into your knowledge that Alhumdulillah, PWA is now managing its finances through a Shariah-compliant system under the guidance of Dar-ul-Ifta, Jamia Darululoom, Karachi.

PWA follows the 'wakala' model of Zakat where the patients, upon receiving free treatment and services, nominate PWA as a 'wakil' (agent) and authorize the organization to receive Zakat on behalf of these patients, to be spent on other expenses endorsed as 'zakat deserving' by the Shariah advisor.

Treatment at PWA is 100% free of cost for all patients. The organization's expenses however are required to go through the Shariah Advisor who helps gauge if the zakat pool could be used for an operational expense or not. If they are, then the specific expense is funded from the Zakat pool, else through the 'Donation' pool. Moreover, we have well defined Standard Operating Procedures (SOPs) governing our Zakat utilization and these clearly delineate the list of applicable expenses.

There are separate accounts for Zakat and Donations in Meezan Bank. Donors must specify which pool they want to donate to.

The purpose of this is to ensure that Zakat money is spent only on the treatment of 'mustaheq' patients.

Give your Zakat to PWA and help save lives.

## TREASURER'S REPORT

It is with infinite pleasure and humble gratitude to Allah (SWT) that I present the audited financial statements of the year 2016-17 for Patients' Welfare Association.

Generations of volunteers have passed through the gates of this organization and found within themselves the spirit of selfless giving. We have tried to continue this altruistic work with the same will and enthusiasm of our seniors and in doing so have achieved a sense of true gratification while spreading hope and happiness amongst the ailing masses of Karachi.

PWA's endowment fund began in 2013 with 10 Million, courtesy of Dowites 1988 and showed great improvement this year through the liberal contribution of Mr Faisal Edhi, son of the late honoured Mr Abdul Sattar Edhi. Additional growth also occurred due to further investment in Meezan Amadan Certificate. As a result, the total invested amount in PWA's endowment account has reached 29 Million. The profits from these investments will be diverted towards further improvements in PWA's quality of service.

I am grateful to the staff and workers for their hard work and dedication to our cause, as I am to donors and well-wishers for reposing confidence in our organization.

Each year, our sincere efforts are directed towards improvement of the financial condition of PWA and maintenance of a constant inflow of funds so that there is no irregularity in the provision of services. May our efforts improve and be a source of relief to people in need.

**Treasurer**

## INDEPENDENT AUDITOR'S REPORT TO THE ASSOCIATION

### **Opinion**

We have audited the financial statements of **PATIENTS' WELFARE ASSOCIATION (DOW MEDICAL COLLEGE & CIVIL HOSPITAL), KARACHI** (the Association) which comprise the statement of financial position as at 30 June 2017 and the income and expenditure account, statement of cash flows and statement of changes in funds and reserves for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements gives a true and fair view of the financial position of the Association as at 30 June 2017, and its financial performance and its cash flows for the year then ended in accordance with Accounting Standard for Not for Profit Organisations (NPOs) as issued by the Institute of Chartered Accountants of Pakistan (ICAP).

### **Basis for Opinion**

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

The Association is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the Association determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Association is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our

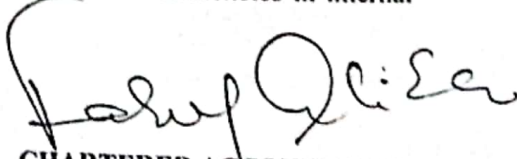

opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern, if we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

*Mahjabeer*  
**PRESIDENT**

**PATIENTS' WELFARE ASSOCIATION**  
**(DOW MEDICAL COLLEGE & CIVIL HOSPITAL)**  
**NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2017**

**1 STATUS**

Patients' Welfare Association (the Association) is a Social Welfare Organization carrying out welfare activities at Civil Hospital, Karachi. The Association was established in the year 1979. It is registered under Voluntary Social Welfare Agencies (registration and Control) Ordinance, 1961 with Director of Social Welfare Govt. of Sindh vide Reg. DSW(S)/399 of 1981 dated 31 December 1981.

**2 SIGNIFICANT ACCOUNTING POLICIES**

**2.1 Accounting system and convention**

The management of association has decided to adopt accrual basis of accounting for preparation of financial statements with effect from the year ended 30 June 2003.

These accounts have been prepared under historical cost convention except as disclosed in the accounting policies herein below.

**2.2 Functional and presentation currency**

Items included in the financial statements are measured using the currency of primary economic environment in which the Association operates. The financial statements are presented in Pak Rupees, which is the Association's functional and presentation currency.

**2.3 Foreign currency translation**

Foreign currency transactions are translated into Pak Rupees using the exchange rates prevailing at the dates of the transactions. Assets and liabilities in foreign currencies are translated at the rate of exchange prevailing at the balance sheet date. Exchange gains and losses are recognised in the income and expenditure account.

**2.4 Property, plant and equipment**

Items of property, plant and equipment are stated at written down value. Depreciation charge is based on the reducing balance method at the rates specified in note 3 to the financial statements. Depreciation on additions is charged from the month the asset is put into use, while on disposals, depreciation is charged up to the month the asset was in use.

Normal repairs and maintenance are charged to income as and when incurred. Major renewals and replacements are capitalized and the assets so replaced, if any, are retired.

Gains or losses on sale of fixed assets are included in income currently.

**2.5 Stock**

Stock held (including stock in transit) is valued at cost.

Donation in kinds are recorded at their fair value at the date of donation.

**2.6 Revenue recognition**

Donations & Grants either in cash or in kind are recorded on receipts basis. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

*Handwritten signature*

## 2.7 Capitalization of reserve for capital expenditure

Donation for capital expenditure received for a particular fixed asset is recognized as Income when said asset is available for use .

## 2.8 Funds

### *Unrestricted funds*

Unrestricted funds represents resources over which the association has discretionary control and are available for the various programs and administration of the association.

### *Restricted funds*

Restricted funds represents resources subject to donor imposed restrictions.

Any surplus remaining in restricted funds is transferred to unrestricted funds, if permitted by the donors or agreement between the association and the donor(s).

**20 (DEFICIT) OF INCOME OVER EXPENDITURE ON THALASSEMIA SERVICES**

The Health Department, Government of Sindh (HDS) has provided necessary equipments to the association in respect of Thalassaemia Day-care Centre (TDC) in terms a memorandum of understanding executed between HDS and association. The association is responsible for operations of TDC. The income and expenditure relating to TDC is as follows:

Income	20.1	3,522,800	2,636,000
Expenditure	20.2	(19,196,763)	(19,754,888)
		<u>(15,673,963)</u>	<u>(17,118,888)</u>

**20.1 Income**

Donation	492,500	445,000
Zakat	3,030,300	2,191,000
	<u>3,522,800</u>	<u>2,636,000</u>

**20.2 Expenditure**

TDC blood consumption	5,144,466	5,662,006
Salaries and allowances	3,423,204	3,043,289
Repair and maintenance	37,594	46,082
Printing and stationery	21,178	11,860
Medicine and injection	10,168,595	10,874,596
Depreciation	3 52,944	60,035
Infusion / Transfusion set	43,500	46,200
Miscellaneous	16,870	10,820
Diagnostic lab expense	288,412	--
	<u>19,196,763</u>	<u>19,754,888</u>

**21 CORRESPONDING FIGURES**

The corresponding figures have been reclassified and rearranged wherever necessary to facilitate comparison, however there have been no significant reclassifications.

**22 DATE OF AUTHORISATION**

These financial statements were authorised for issue on 2<sup>nd</sup> January 2018 by the General Body of the Association.

**23 GENERAL**

Figures have been rounded off to the nearest rupee.

## BLOOD TRANSFUSION SERVICES

Over the years, the department of Blood Transfusion Services has proved to be one of the fundamental and constitutive services provided voluntarily by PWA. PWA Voluntary Blood Bank which is registered by the Sindh Blood Transfusion Authority (SBTA) has been catering up to more than 250 requests per day throughout the city, ensuring that blood is provided to the patients on exchange basis, free of cost.

It has become the largest single outlet blood bank providing blood components that include packed cells, platelets, fresh frozen plasma and mega units of platelets. Before dispatching, each blood bag is screened using Chemiluminescent Immunosorbent Assay (CLIA) making every bag safe to dispatch. Every pint of blood goes through a cautious process of screening for HIV, Hepatitis B and C, Malaria and Syphilis in correspondence with WHO guidelines.

PWA has always aspired for the provision of quality and disease-free blood to the needy and has strived for this cause in every way possible. PWA volunteers also try to spread awareness regarding voluntary blood donations. For this purpose, voluntary blood camps and various awareness sessions are conducted throughout the year at various colleges, universities and organizations.

PWA is grateful for the donations of its well-wishers, both blood and monetary. We would have never been able to attain such landmarks if it had not been for your immeasurable support.

“Blood is meant to circulate, pass it around.”

## DRUG BANK

*"This was the first piece to the whole story. The beginning."*

*- Sarah Todd Hammer*

In 1979 three students of Dow Medical College, with a small amount of money but a whole lot of good will and enthusiasm, started a drug bank with a single cabinet of medicines and thus laid the foundation stone of PWA.

The PWA drug bank is currently serving the daily needs of the admitted patients of Civil Hospital Karachi, catering to more than 7500 patients in 2016-17. It also fulfilled the requests of follow-up and T.B patients. This drug bank has also been providing iron chelation therapy to the registered Thalassemia patients of PWA since 2011.

With the help of our generous donors, humanitarians and the selfless volunteers of PWA, this seed sown in 1979 has grown into a multi-department organization, known today as the Patients' Welfare Association (PWA).

It is my request to all esteemed humanitarians, students and people from every walk of life to donate to PWA and enable us to continue providing state of art medical facilities to needy patients.

**Vice President  
Drug Bank**

## DIAGNOSTIC LABORATORY

Patients' Welfare Association has always aimed to provide the needed facilities to the underprivileged patients of Civil Hospital Karachi. In order to do this, PWA established its Diagnostic Laboratory in 1986 to provide basic biochemical and hematological investigations free of cost. Since 2011, laboratory services have been gradually discontinued due to the establishment of the Central Laboratory in Civil Hospital. By June 2017 all laboratory services to CHK were discontinued since the central lab is sufficient and fulfilling people's needs. The Diagnostic Lab now provides Complete Blood Count (CBC) with peripheral film study to our thalassemia patients only. This has enabled us to channel our funds into improvement of other departments.

To sustain our current services and to achieve future goals, we look forward to the support of our hospitable donors, who have helped save lives and provide health facilities to the destitute patients.

## THALASSEMIA SERVICES

PWA expanded its services in 2011 by establishing the Thalassemia Day Care Centre. The department aims to provide treatment to the patients suffering from thalassemia, a genetic disorder that requires regular blood transfusions and medicines for survival.

Our TDC Centre serves around 260 registered patients. The services include regular transfusions of safe & screened blood, iron chelating agents, other medicines, lab investigations and consultation by a qualified Hematologist. The average cost required for providing these services without paucity ranges between 200,000 - 4,00,000 per patient per annum.

To meet the need of finances, we run a year round campaign, "Sponsor a Thalassemic" to support the monetary requirements of these patients. With SAT campaign, we have met great donors. We would like to express immense gratitude to our generous donors, philanthropists and well-wishers for their continuous support. We urge you to join us in making lives of these children easier by sponsoring a child through our SAT Campaign. May Allah help us to improve our services and accept our efforts. Ameen

## FOLLOW-UP CLINICS

“Healing yourself relates to healing others.” Putting this in consideration, PWA started a war against chronic illnesses like Diabetes, Hypertension, Ulcers, Tumors, Syphilis, Tuberculosis, etc. In 2003 with the aim of minimizing the suffering, PWA set up the ‘Follow-Up Clinics’. The purpose of this department was to provide medications to the registered patients. Following are the sub-departments of Follow-Up Clinics:

**T.B FOLLOW-UP CLINIC:** Tuberculosis was one of the most prevalent infectious disease in Pakistan in 1984. Keeping in mind the burden of Tuberculosis, PWA started its efforts against Tuberculosis by setting up a Tuberculosis follow-up clinic and this clinic became the ray of hope for T.B patients. The clinic was being operated under the supervision of a well-qualified Medical Officer. The goal of this clinic was to provide the patients with all necessary Antituberculous drugs and relevant laboratory and imaging tests such as X-Rays free of cost. In 2014, the Government of Pakistan took the initiative to fight Tuberculosis by inaugurating a T.B Clinic in Civil Hospital Karachi which provided all the necessary medications and tests to the patients free of cost. Hence in 2017, the government clinic was full-fledged operational so PWA decided to close its contemporary T.B Follow-up Clinic.

**GENERAL FOLLOW-UP:** With the support of our generous donors, PWA initiated its battle against a broad spectrum of chronic diseases. It was an uphill task to provide all the necessary medications to 83 registered patients with PWA but with the grace of Almighty God, PWA managed to do so until 2017 when the Administration of Civil Hospital Karachi started to provide all the prescribed drugs to the patients on their respective follow-up visits from the Civil Hospital Pharmacy.

**Vice President  
Follow-up Clinics**

## RECORDS AND REGISTRATIONS

In PWA we do our best to maintain the monthly records of all departments in order to monitor the progress that we are making and to find out where we are lacking and how we can improve. Also by doing this we are able to maintain complete transparency so our donors keep trusting us and supporting us.

This year the department of records and registrations accomplished the following:

- Fully computerized records were maintained in the drug bank and blood bank.
- In the department of Thalassemia services, record of blood transfusions and medications provided to the patients as well as lab investigations was maintained.
- Complete record of screening was maintained in the department of Blood Transfusion Services and the donors who were found to be seropositive for Hepatitis B/Hepatitis C/Syphilis/Malaria/HIV were informed.
- Record of all tests performed in the Diagnostic Lab was maintained through laboratory management software.
- Records of all patients registered in the Follow-up clinic were maintained.
- In the month of Ramzan the department played a major role in fund raising during the zakat campaign.

We would like to thank TCS for their support and help.

It is due to the continuous support of donors that we are able improve the lives of people and make them worth living.

**Vice President**

**Records and Registrations**

## ADMINISTRATION & PLANNING REPORT

The Department of Administration and Planning plays a pivotal role in our organization. It coordinates the activities of various departments to ensure efficient functioning of all the departments and smooth running of the organization. Following are some of the activities arranged this year:

- Patients' Welfare Association was featured in the welfare segment of AAJ TV Morning show on 5th December 2016.
- Patients' Welfare Association participated in DAWN LIFE STYLE EXPO from 30th December 2016 to 1st January 2017.
- Patients' Welfare Association hosted a voluntary blood donation camp on 15th January 2017 at the 2nd HOPES HEALTH EXPO..
- Orientation of Dowites; batch of 2022 was held followed by a tour of the organization in the start of January 2017.
- Students from Evergreen Education System visited PWA on 17th January 2017 and were given a tour of organization.
- A fund-raising campaign was conducted at Karachi Cambridge School on 26th January 2017, in which the students were briefed about the working of PWA.
- Patients' Welfare Association had its 36th Annual General Body Meeting on 1st April 2017 at MUIN Hall, Dow Medical College. The meeting was followed by the inauguration ceremony of CLIA by Mr. Rafiq Rangoonwala.
- Patient's Welfare Association celebrated the World Thalassemia Day on 8th May 2017. Different activities were arranged for the patients at this event.
- Burhani Blood Bank invited our Thalassemia patients for a movie show.
- Patients' Welfare Association hired a company named MYSTIC SOCIAL MEDIA for promotions on different social media platforms like Facebook, Twitter, Instagram and E-mails as well as print media including DAWN News Paper.

- Volunteers of PWA were invited to HOT FM 105 at Rizwan Zaidi's show on 24th May 2017.
- Metronome and Infinity Pixels highlighted our services on Facebook during Ramadan.
- Our volunteers were also invited to 'ISHQ-E-RAMZAN' (aired on TV ONE) and 'BARKAT-E-RAMZAN' (aired on NEWS ONE) as a part of the Zakat Campaign.
- Advertisements of PWA were published in different newspapers during Ramadan.
- Our volunteers were invited to the show 'RAMZAN HAMARA EMAAN' aired on AAJ NEWS on 10th June 2017.
- Our volunteers celebrated the success of Team Pakistan in Champions Trophy with Thalassemia patients.
- A blood donation camp was held at Police Training Centre BIN QASIM, Karachi on 4th August 2017.
- Like every year, PWA celebrated Independence Day with the registered patients of our Thalassemia Day Care on 21st August 2017. The event included games and fun activities for children like singing, face painting, colouring, games and cake cutting.
- Patients' Welfare Association had a stall at the 13th Health Asia Expo from 22nd of August to 24th of August, 2017.
- Volunteers of Patients' Welfare Association conducted a session at BEACONLIGHT ACADEMY GULSHAN BRANCH on 29th August 2017. We promoted our organization and highlighted the importance of volunteerism.

It is through the mercy of Almighty Allah that PWA has emerged as one of the finest student run organizations of Pakistan, having withstood the test of time, lack of resources and adversity at different times since its conception in 1979.

I am very happy to say that PWA provides that platform for our students through which they learn the harsh realities of the lower classes and which empowers and urges them to serve selflessly and with compassion.

The student volunteers are working very hard to improve the quality of their services while at the same time attempting to increase the scope of these services. As such the organization's budget has increased dramatically over the 40 years of its life. I appeal to all citizens of this city and beyond to contribute to this cause with an open heart knowing that their contribution is making life easier for thousands of their brethren.

Prof. Zakiuddin G. Oonwala,

I alone cannot change the world but I can cast a stone across the water to create many ripples. Mother Teresa.

This is a moment of great pride for Patients' Welfare Association, completing its 40th years of serving the less privileged as the largest Student run organization of Pakistan. The journey so far has been the result of ceaseless efforts of its dedicated volunteers.

Among the major achievements of the year is the implementation of the Sharia'h compliant system under the guidance of Dar-ul-Uloom Karachi. The Zakat and donations bequeathed to us are spent according to the rules set by Ulma'a.

PWA has also seen growth in the endowment fund by 10 million. This is the result of the support and generosity of our dedicated donors and well-wishers.

PWA has always believed in providing services where none exist. As Civil Hospital Karachi has now become self-sufficient in providing diagnostic services and outpatient management, PWA has decided to divert its resources from Diagnostic lab and Follow up services to other existing departments.

In the coming year, we aim to enhance the marketing and resource generation strategy to spread the word of PWA country wide and beyond.

In a nut shell, PWA is like a precious fertile field in which volunteers and donors together sow seeds to be able to serve the people in need.

We need the assistance of donors like you to help us in continuing this legacy of selflessness and altruism.

It is a great pleasure to write this message to acknowledge the achievements and to appreciate the selfless services of this welfare organization on the occasion of their 39th anniversary.

It feels wonderful to witness the dedication of volunteers, staff and associated fellow workers. They are always very eager to help the unprivileged in every possible way.

The selfless spirit of giving that volunteers of this student run organization are possessed with and the sincerity towards their work is commendable. Every year new volunteers full of zest join PWA in order to contribute to the cause

My best wishes are always there with PWA and I hope and pray it continues to prosper.

Prof. Abdul Bari Khan

**MESSAGE**

I am honored and privileged to write a message for the Souvenir 2017 of PWA, Dow Medical College & Dr. Ruth K. M. Pfau Civil Hospital Karachi.

It is gratifying to note that, since its inception in the year 1979, PWA has continued to contribute immensely in improving the healthcare and well being of the Pakistani population by playing an active role in the area of blood transfusion, diagnostic laboratory, drug bank, follow-up clinics, up-gradation of screening technology and the thalassemia services. The organization is becoming an instrument in bringing a true transformation of heart, to beat in the spirit of devotion. Their commitment to extend services to the patients of Dr. Ruth K. M. Pfau CHK Hospital, with no compromise on standards, for such a long time is indeed highly commendable and noteworthy.

As I look ahead, I can visualize that the PWA will grow in pursuit of even higher standards in the services of humanity, through facilitation in treatment of health problems. I hope they will continue to strive for excellence in the future as they have continued to do so in the past.

I extend my heartiest felicitation to all those associated with PWA and wish them all success in the future.

Date: Feb 27, 2018

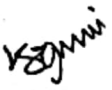

It gives me immense satisfaction to write this message for Patient's Welfare Association (PWA) Souvenir 2017.

PWA has all along been upholding a 'patient-oriented' approach, striving to provide, especially to poor patients, a wide range of welfare services like Blood transfusion, Drug bank, Thalassaemia services and so on. This is highly praiseworthy.

As Principal of DMC, I feel very proud that Dowites are maintaining this excellent welfare society continuously since last 38 years. This is unmatched to any other medical college of the country. One feels even happier that PWA is growing every year.

The role of Donors is also applauded.

Our students' efforts need lot of commendation and whole hearted support of our administration and alumni. Services rendered by PWA have inspired many people looking for the right path amidst the chaos and confusion in today's materialistic world. I wish them well in every endeavor.

  
**Prof. Kartar Dawani**  
Principal

## APPEAL

**Your time in this world is limited.**

**Use it wisely.**

**Every now and then you get a  
chance to help someone.**

**Do not waste that opportunity.**

**Allah has chosen you.**

**Your need to help a person  
is far greater than his need for your help.**

**Allah loves those who help His people.**

**Your good deeds are never forgotten.**

**When you help a brother in need,  
Allah will help you in your time of need.**

## PWA IN PERSPECTIVE

I am honoured to serve as a PWA volunteer. Working as a volunteer did not only boost my confidence but also brought the contentment of serving mankind. Proud to be a part of the PWA family.

AREEBA FURQAN, D-22

PWA is not only providing blood, medicines and treatment to needy patients but also spreading happiness and saving many lives! The best part of volunteering for PWA is witnessing smiles spreading across the faces of people we have vowed to serve.

ASAD, D-22 BDS

Volunteering has always been my passion and PWA provides excellent opportunities to do so. I believe there is nothing greater than being able to give back to the community. Being a part of PWA makes my journey at Dow much more productive and fulfilling!

HANIA FAHEEM, D-22

My experience of working with PWA taught me things about the field of medicine that one can never learn by studying our lengthy course books. As the quote goes "Empathy is about the echoes of another person in yourself." My experience at PWA taught me how to empathize with people and consider their suffering as my own. Proud to be a dowite and honoured to be a part of PWA family.

TOOBA KHAN, D-22

I am so fortunate to be a part of such an amazing organization. I recognize it as my second family because of the respect and love I get here. I feel proud to say that PWA holds a major part in my life.

MUHAMMAD UMAIR, D-22

It has been two years since I became a part of PWA. PWA is a platform through which students of Dow Medical College serve the less fortunate. We believe that what we do for patients can never be honoured by a certificate. Spreading smiles across the faces of the poor and helpless is something no award can ever do justice to. Surely, Allah has something better and unimaginable planned for those who dedicate their time and efforts to help His people.

SYED MOIZ, D-21

My experience at PWA taught me so many things that have helped shape my personality. "Being human is given, but keeping our humanity is a choice." I am now more hopeful than ever that if we join hands and come together as one, we can surely make a difference.

HOORIYA WASEEM, D-22

To be someone's hope and the reason behind someone's smile is the purest feeling in the world.

AIMEN BARI, D-22

Volunteering at PWA has proved to be an incredible experience. Working to spread smiles among poor, innocent children who deserve the chance to lead a better life is truly a noble cause.

HASSAAN ALI, D-21

Working with PWA was my very first experience with volunteering. I am very grateful for being given this opportunity. I got to learn a lot from this experience. It has helped me become a more positive person, boosted my confidence, improved my communication skills. I am proud to be a part of this amazing organization and I pray it grows stronger everyday. Ameen!

ARIBA SULTAN, D-22

Alhamdulillah, I feel proud to be a PWA volunteer and have committed to serve the cause it stands for. I would invite all of you to join hands with PWA and play your part in improving lives of the underprivileged. As it is said "Helping someone who needs it the most, cannot be measured by worldly scales."

AQSA TARIQ, D-21

Working as a volunteer diversifies one's perspective towards life. PWA instils a sense of love, compassion, responsibility and humanity in its volunteers along with working to improve their administrative skills. I am looking forward to work with PWA in the future as well and exploring myself even more.

S. FATIMA NAZ ZAIDI, D-22

PWA, whenever we think about these words our battery gets fully charged. I always wanted to work for a cause and wanted to utilize my efforts to do something noble and PWA has given me this opportunity. Only single year of volunteering here has changed me as a person. No hardship can deter us from this path, all of our efforts are for Allah's people and He will never leave us alone. Proud volunteer.

TUBA WASEEM, D-21

We are the students of DMC from batch D'22. It's been an honour for us to have the opportunity of volunteering at PWA, one of the largest student-run organizations of Pakistan.

PWA has not only been providing remarkable facilities to the needy since long, but it is also an incredible platform for the students of DMC who are passionate to join hands with one another to help those in need. The services PWA has been providing throughout the years are highly appreciable. Arranging campaigns, holding blood camps, working at drug bank, spending time with the children suffering from thalassemia, working as a team and most importantly, getting to know that we've been given such a great opportunity of spreading smiles and improving the quality of someone's life is the most incredible feeling. Working with consideration, coordination, mutual understanding and enthusiasm for the sake of others provides us with the internal satisfaction that has no substitute. ALLAH also helps those who serve humanity. Playing a part in saving someone's life is itself a privilege.

Team PWA is like a family where we all enjoy the junior-senior relationship. A special thanks to the founding members of PWA who established this wonderful organization years ago. This life is short indeed, but we can make the most out of it by doing our best to serve others. In this way, we are also blessed with the prayers and duas from the patients and their families, and this is the most important thing which makes the volunteering really worth it. May PWA progress and prosper more and more, and keep on extending its services and facilities to the suffering and the needy.

AMEEN!

Because together we can make a difference.

Thank you!

HAFSA QADRI, MANAHIL RAFI, USHNA SUNAIN, FATIMA KARRAR, SIDRA TABASSUM, RIJA BATOOL, FAIQA, AISHA KAINAT, AMNA ARIF, RIDA FATIMA,

D-22

## GETTING INTO MED SCHOOL CHANGES YOUR LIFE DRAMATICALLY.

Being a student of second year at DMC, I can tell you med school is what you make it out to be. The experience is worlds apart from college. It feels like a century has passed since I completed my pre-med.

Here, it is about studying smart not studying hard. Med school requires you to make a great amount of sacrifices but the rich opportunities provided to you make them worthwhile.

Here are some tips on how to survive med school:

### 1) STOP COMPARING YOURSELF:

Once you are accepted in med school, it is a level playing field. Comparing your progress with other people will only stress you out and prove counter productive.

### 2) TAKE CARE OF YOURSELF:

The course is tough and extensive. It is easy to get carried away. But you should not put your health on the line while rushing to cover it. Eat healthy, get enough sleep and exercise because your brain needs that to help you retain all the information you are expected to learn.

### 3) GROUP STUDY:

Make friends with people who share your philosophy and help each other out. We all have the same aim i.e. to serve others.

### (4) UNDERSTAND THE BIG PICTURE:

One day you will be taught anaerobic respiration; the very next day, the teachers will jump to cardiac output. You will have to learn, process and manage an enormous amount of information that won't necessarily come together as you would like it to, so understand the bigger picture before preparing for the module. Finally, always remember that we are all part of a noble profession. Medicine is a treasure and an art, so do not forget to share that treasure and enhance your art.

Areeba Furqan, D-22

## THE SAVIOUR

All the darkness I saw,  
With my own seeking eyes,  
Every time I was beaten by a sorrow,  
Like a needle pricking my skin,  
I was hit by a profound insight,  
Said to myself, "I'd rather just die."  
Then an epiphany descended from the sky,  
"There are many others who want to die,  
Need a saviour to take them high"  
Enlightened hope in me thereby.  
The revelation became my inspiration,  
To rise beyond my troubles,  
And like a falcon, I took flight!

Muhammad Umair, D-22

## DOCTOR

Doctors are angels, they think;  
Saving lives with our wings spread wide,  
We forget ourselves while on our duties,  
Serving mankind is our beauty,  
Helping the needy is our oath,  
Injustice to anyone, we loathe  
When souls are caged in the curse,  
We are there to succour the worse.

Hasnain, D-22

## HOPE IN THE AIR

The hope in their eyes,  
Deeper than the oceans,  
Lips tightly pursed in despair,  
Yet, there is hope in the air.  
The sparkle in their eyes,  
Brighter than a thousand suns,  
Smiles hiding their fears,  
Because there is hope in the air.

Aiman Bari, D-22

## پیروں تلے

(پیارے ابو جان اور دنیا کے ہر باپ کے نام)

میری بیٹی! مرے بیٹے!  
سنو تم میرے پاس آؤ  
معصوم جو باتیں تمہاری ہیں  
میرا جی ان سے بہلاؤ  
غموں سے دور جو تم نے بسائی ہے  
وہ دنیا مجھ کو دکھلاؤ  
زباں و دل تمہارے عیب سے خالی  
خدا کے گیت تم گاؤ  
وہ رب جس نے تمہاری دل زباصورت بنائی ہے  
وہ جس نے ماؤں کے پیروں تلے جنت بنائی ہے  
کبھی تم نے یہ سوچا ہے  
مرے پیروں تلے کیا ہے؟  
کبھی تم نے جو دیکھا ہو  
مرے پیروں تلے ہیں ٹوٹے ہوئے جوتے  
گواہی دے رہے ہیں یہ  
مصائب سے اٹے رستوں پہ پیدل چل رہا ہوں میں  
تمہارے چین کی خاطر  
تمام عالم سے تہا لڑ رہا ہوں میں  
ابھی افسانہ نو لکھ رہے ہو تم  
مگر ذکر کہن میں ڈھل رہا ہوں میں

تمہاری زندگی میں روشنی بڑھتی رہے گی اب  
بقائے روز و شب میں جل رہا ہوں میں  
مگر دل کو تسلی ہو رہی ہے کہ  
تمہارے ہونٹوں پہ مسکان باقی ہے  
تمہارے روپ کا سورج ابھی جو بن پہ ہے آیا  
مرے بالوں میں اب ہے چاندنی اتری  
مرے چہرے پہ پڑتی تھریوں میں  
تم کبھی جو جھانک کر دیکھو  
زبان حال سے جو کچھ بتانے سے میں قاصر ہوں  
شکں آلود پیشانی تمہیں وہ سب بتائے گی  
مرے دل میں جو دریاے محبت جوش لیتا ہے۔  
محبت کا انوکھا رنگ یہ تم کو دکھائے گی  
میری محنت میری قربانیوں کا عکس دکھلا کر  
تمہیں اک داستان خود فراموشی سنائے گی  
میرے بچوں! اگر تم سن سکو، سن لو  
حضور حق میں میں دل سے دعا گو ہوں  
کہ اب جو وقت بھی آئے  
تمہارے واسطے خوشیوں کی رُت چھائے  
تمہارے زندگی میں رنج نہ اپنی جگہ پائے  
جو آنے والا کل ہے آج وہ حامی تمہارا ہو  
مجھے جو زندگی نے دے دیا، باقی تمہارا ہو۔

حافظ فصیح احمد

## الہام

الہام کی سرحد کے اُس پار پہنچ کے  
بے خودی میں تیرے درپہ سرکار پہنچ کے

جو ڈالی نظر میں نے تیرے پُر شکوہ مکاں پر  
کوی قفل جیسے لگ گیا میری سُستہ زباں پر

نظر ملنے سے عاری، کان سننے سے قاصر  
بنا جنبش ہوئے لب تیری عظمت کے ذاکر

اشکبار آنکھ لئے میں یونہی کھڑا تھا  
کوئی نور سامیری جانب بے ساختہ بڑھا تھا

اُس نور کو میں نے اپنے ہاتھوں میں چھپایا  
ان ہاتھوں کو پھر اپنے سینے سے لگایا

وہ اُس نور کی حدت تھی یا پھر خواب کی خشیت  
کہ میں نے خود کو نیند سے پھر اٹھتا ہوا پایا

یہ خواب تھا، یہ جان کر میں نے دل میں دعا کی  
اے رب! مجھے دکھلا دے تُو جھلک اپنے مکاں کی

حماد

## پی ڈبلیو اے۔ ایک مختصر تعارف

پی ڈبلیو اے طلباء کے زیر انتظام چلنے والی پاکستان کی سب سے بڑی غیر سیاسی و غیر سرکاری فلاحی تنظیم ہونے کا اعزاز رکھتی ہے۔ اس تنظیم کی ابتدا اور اس کے وجود رکھنے کا سب سے بڑا مقصد ڈاکٹر زتھ کے ایم فائو سول ہسپتال کراچی میں زیر علاج مریضوں کی بہتری اور فلاح کیلئے بلا معاوضہ خدمات انجام دینا ہے۔ اس کی ابتدا 1979 میں تین طلباء نے انسانیت کی خدمات کے جذبے سے سرشار ہو کر ادویات کے ایک چھوٹے سے کیمپس سے جو آج باقاعدہ ایک بہت بڑے ادارے کی صورت اختیار کر گیا ہے۔ جس کی بنیادی وجہ اس کے رضا کاران کی انتھک محنت کیساتھ ساتھ مخیر حضرات کا مالی تعاون اور عطیہ دہندگی ہے۔ پی ڈبلیو اے کی فراہم کردہ خدمات میں بلڈ بینک اور تھیلیسی میا سروسز شامل ہیں۔

### بلڈ بینک:

پی ڈبلیو اے بلڈ بینک ڈاکٹر زتھ کے ایم فائو سول ہسپتال کا واحد اور کراچی کا ایک بہت بڑا بلڈ بینک ہونے کی حیثیت رکھتا ہے جس کا قیام 1982 میں کیا گیا ہے۔ یہ بلڈ بینک نہ صرف ڈاکٹر زتھ کے ایم فائو سول ہسپتال بلکہ پورے کراچی میں بلا معاوضہ تبادلے کی بنیاد پر تشخیص شدہ اور بیماریوں سے پاک خون کی فراہمی کو یقینی بناتا ہے۔ یومیہ بلڈ بینک سے تقریباً 250 بلڈ بیگز فراہم کیے جاتے ہیں۔ پی ڈبلیو اے خون کیساتھ دیگر خون کے اجزاء جیسے (Fresh Frozen Plasma, Packed cells, platelets) بھی فراہم کرتا ہے۔ جن کی مکمل اسکریننگ کی جاتی ہے اور ان کا جراثیم سے پاک ہونا یقینی بنایا جاتا ہے۔ بلڈ اسکریننگ ٹیکنالوجی کی CLIA تک اپ گریڈیشن نے پی ڈبلیو اے کو اس بات پر فعال بنایا ہے کہ وہ سالانہ 90,000 بلڈ بیگز بہترین اسکریننگ کیساتھ فراہم کرتا ہے۔ خون کے عطیات حاصل کرنے کیلئے پی ڈبلیو اے گاہے بگاہے بہت سے بلڈ کیمپس کا مختلف جگہوں پر انعقاد بھی کرتا ہے۔

### ڈرگ بینک:

1979 میں ایک واحد کیمپس سے شروع ہونے والا یہ ڈرگ بینک پی ڈبلیو اے کی بنیاد کی حیثیت رکھتا ہے۔ جو ماضی میں کچھ ادویات کے مجموعے سے بڑھ کر اب باقاعدہ ایک فارمیسی کی حیثیت اختیار کر چکا ہے جہاں تقریباً 7500 مریضوں کو موثر ادویات بلا معاوضہ کی جاتی ہے۔ پی ڈبلیو اے ڈرگ بینک کا سالانہ خرچہ 42 لاکھ ہے۔

ہاشی میں فالو اپ کلینک کے تحت کام کرنے والے پی ڈبلیو اے تھیلیسیہما سرو سز کو 2011 میں ایک علیحدہ شعبے کے طور پر ترقی دی گئی جس کے تحت خون کی فراہمی کیساتھ ساتھ آرن ناپیلیشن تھراپی، ادویات اور دیگر سہولیات بھی مریضوں کو مفت فراہم کی جاتی ہیں۔ اس شعبے میں تھیلیسیہما کے 275 رجسٹرڈ مریض ہیں جن میں قابل ہیماٹولوجسٹ کی زیر نگرانی اور مشاورت سے روزانہ کی زیادہ تر تشخیص شدہ انتقال خون کا عمل انجام دیا جاتا ہے۔ تھیلیسیہما جیسے موذی مرض کے علاج کے خرچ کی فی مریض لاگت تقریباً دو لاکھ سے چار لاکھ ہے۔ یہ اخراجات پی ڈبلیو اے اپنے فقیر حضرات کے تعاون سے برداشت کرتا ہے اور تمام سہولیات کی بلامعاوضہ فراہمی کو یقینی بناتا ہے۔

انٹرنر "پی ڈبلیو اے" انسانیت سے محبت اور ان کی لامتناہی خدمت کا مقصد پورا کرنے پر کار بند ہے۔ مہنگائی اور مصائب کے اس دور میں انسانیت، بالخصوص غریب غرباء کی بلامعاوضہ خدمت پی ڈبلیو اے کا اہم مقصد ہے۔ اس مقصد کو حاصل کرنے کیلئے پی ڈبلیو اے کے رضا کاران دن رات کوشاں ہیں۔ اس اہم مقصد کے حصول میں اکثر فنڈز کی وجہ سے رکاوٹیں حائل ہو جاتی ہیں۔ جس کیلئے عطیہ دہندگان اور فقیر حضرات کا مالی تعاون درکار ہے۔ تاکہ اس ادارے کی خدمات کو مزید بڑھایا جا سکے اور انسانیت کی خدمت کا یہ مشن جاری رہ سکے۔

# EPILOGUE

There are many ways of worshipping our Creator the most noble of which is through helping His people. A single smile or anything that brings even a little happiness into a life full of hardship is an act of charity. So for the sake of humanity play your part in this noble cause. We warmly welcome all the volunteers and respected donors to join hands with PWA and contribute towards the cause of bringing comfort to the needy in any way that we can. Help us spread smiles. Because your greatness is not in what you have; it is in what you give.

# PATIENTS' WELFARE ASSOCIATION (Regd.)

A non-political,  
DMC student-run NGO

## IS SHARIA'H COMPLIANT

Alhumdulillah, PWA is managing its **finances** through a **Shariah-compliant system** under the guidance of **Dar-ul-Ifta, Jamia Dar-ul-Uloom Karachi**. Mufti Hussain Ahmed of this institute overlooks the expenses of the organization which are disbursed according to Shariah Laws through **separate zakat and donation accounts opened in Meezan Bank**.
