PWA-INSIGHT

HOW IT ALL BEGAN: OUR JOURNEY

Over four decades ago, three students at Dow Medical College saw a lack of quality services and support for the underprivileged patients seeking medical treatment at Dr. Ruth K.M. Pfau Civil Hospital, Karachi. Eager to change things for the better, they decided to establish an organization dedicated to serve the needy in their hardest times with no compromise and no cost. From these humble beginnings, Patients' Welfare Association (PWA) did nothing but grow. Hundreds of volunteers, through their experiences with PWA, learned compassion and PWA's "**We Feel, We Serve**" attitude. Countless supporters rose up to contribute to PWA when they saw the sheer hard work of the volunteers and the exponential effects PWA had on the patients of Dr. Ruth K.M. Pfau Civil Hospital, Karachi. PWA paved the way for accessible medicines, diagnostic tests and T.B follow up in Civil Hospital and is currently serving the patients through its Blood Transfusion Services and Thalassemia Services.

AN INSIGHT INTO PWA

Patients' Welfare Association is registered under the Sindh Welfare Department (Registration No. DSW (s) 399 of 1981) as a non-profit, non-political organization.

Founded by the three students of Dow Medical College in 1979, PWA's sole aim was to serve the underprivileged patients with quality care treatments. As we feel their pain, we try our level best to serve them the facilities that they are deprived of.

Since then this organization has been actively serving patients on the premises of Dr. Ruth K.M. Pfau Civil Hospital, Karachi and is continuously growing to benefit humanity. PWA has been providing services to the underprivileged patients **FREE OF COST.**

Beyond these terms, PWA consists of a tight-knit, passionate group of students carrying the same sentiments as those that founded it. Through their journey as PWA volunteers, they learn the beauty of working simply for the betterment of other human beings and come out of PWA with a greater sense of empathy and responsibility. PWA is proud to equip future doctors with an indescribable love for humanity- an underrated skill that makes a good doctor a great one- all the while making a real difference in the community around them.

BLOOD TRANSFUSION SERVICES

It is both technically and figuratively correct to say that the blood bank is the heart that pumps life to Patients' Welfare Association. The origins of the founding of the blood bank go back to the 1980s, when most blood donors were homeless drug addicts. Their blood contribution was enough to sustain life, but the samples were unscreened, unsafe, and uncertain. Realizing that the patients' lives were at risk, a blood provision centre was established by PWA, where the providers would not have to yield to any pressure of finances and infections. Owing to this, a blood bank was founded in the year 1982.

The department of Blood Transfusion Services is registered with Sindh Blood Transfusion Authority (SBTA) and provides around **200-250 units of screened blood products per day**, completely **FREE OF COST**.

PWA knew the task of providing blood to those in need comes with the responsibility of having it available in abundance and being truly safe. Thus, we take steps to ensure that the blood provided is free of all transmissible diseases and harmful substances, and is transfused to guarantee sanitary measures and safety of all the people involved. The blood obtained from donors is screened for five parameters according to WHO's guidelines: HIV, Hepatitis B, Hepatitis C, Malaria, and Syphilis. The intent is achieved through microscopy and Chemiluminescent Immunoassay (CLIA) machines.

In 2019, we started the Closed System method of blood collection in our Voluntary Blood Bank. This would mean greater sterility and longer shelf life of collected blood. A new bench has also been added at the bleeding area, to make the working more smooth and hassle free. Our inventory received proper maintenance and cultures of our blood products and check cells have been started from this year.

We are grateful to our benefactors for sponsoring the new sealers and stripers in PWA's Voluntary Blood Bank. Because of these supplies, we are able to streamline our procedures and thus, provide higher quality in less time.

From managing mass disasters to giving clean and adequate blood to every single patient, from regular transfusions of patients having blood disorders to providing blood requirements and surgeries, PWA's Voluntary Blood Bank has been able to carry out these accomplishments because of the mutual efforts of both our donors and volunteers. Through various campaigns and donation drives, we have increased our voluntary blood donor pool and are grateful to every single one of them. We could never deny the aid of all the generous beings who have been our strength throughout and thank them for their efforts in leading PWA to the goal of providing safe and quality blood to everyone who needs it.

THALASSEMIA SERVICES

Thalassemia is an inherited blood disorder in which the body makes an inadequate amount of normal hemoglobin. This is a major health problem that also burdens families of those individuals with financial and emotional stress.

Patients' Welfare Association expanded its services in 2011 by establishing the Thalassemia Daycare Centre to provide quality management to thalassemia patients and aspiring to uplift those underprivileged families. PWA's Thalassemia Daycare Centre was inaugurated as a "Public-Private Partnership" between PWA and the Government of Sindh.

Currently, the Thalassemia Daycare Centre is catering the needs of **240** registered patients, providing them with safe and screened blood transfusions, iron chelation therapy, necessary medications, and routine laboratory investigations, completely **FREE OF COST**. These services are rendered under the supervision of qualified consultant hematologist, medical officers, and trained nurses.

To ensure that every patient receives quality care, PWA has launched a campaign "**Sponsor a Thalassemic**" (**SAT**) in order to meet the monetary needs required for the management of these thalassemia patients. The sponsorship costs range from **Rs. 300,000/- to Rs. 500,000/-** per patient, annually. We humbly request our donors and supporters to sponsor the annual expenses of these children and help us make their lives easier.

This year, PWA has signed a Letter of Agreement with The Health Foundation (THF). Both organizations have joined hands to spread awareness about Hepatitis. We have reached an agreement with THF that if any PWA thalassemia patient contracts hepatitis, they will be treated by THF in return for our efforts in the fight against Hepatitis.

Additionally, a Memorandum of Understanding between Afzal Memorial Thalassemia Foundation and Patients' Welfare Association was signed. AMTF has decided to provide Echocardiography and Ultrasound services to our thalassemia patients, free of cost, while we will cater to their demands for blood products through our Blood Bank.

These agreements have undoubtedly helped our organization expand and develop, and we hope to continue making such progress for the welfare of the thalassemia patients under our care.

We, here at the Department of Thalassemia Services, would like to extend a sincere and heartfelt thank-you to our great donors, philanthropists, and well-wishers for their continuous support. May Allah Almighty accept our efforts and help PWA continue its services and be the source of hope and happiness for humanity, Ameen.

Fareeha Rasool

Vice President

Thalassemia Services

RECORDS AND REGISTRATIONS

The department of records and registrations is responsible for keeping monthly records of every department in order to track and oversee their progress.

The records are used to maintain a bond of trust with our benevolent donors by providing them with total transparency of our workings so that they may continue to be dedicated to our cause.

We kept comprehensive records of the screening taking place at our Blood Transfusion Services, particularly of blood donors who tested positive for Hepatitis B, Hepatitis C, HIV, Syphilis or Malaria, and were further informed and counseled. The record of input and output of blood bags is regularly checked and maintained to ensure the working.

We are also immensely thankful to our supporters such as TCS for providing us with their complementary services and to i-Care Foundation Pakistan, who have made it easier for our international donors to donate to PWA - becoming an integral part of the Zakat Campaign as well as general fundraising.

The department of records and registrations would like to express our sincerest gratitude for the magnanimous support provided to us throughout the year, and we aim to see more prosperity in the future.

ADMINISTRATION AND PLANNING

The department of Administration and Planning works to generate funds and promote Patients' Welfare Association on all platforms to ensure smooth working of the organization.

EVENT HIGHLIGHTS

Listed below are the events that occurred in the year 2020.

- On 8th January 2020, the new batch of **Dowites 2025 was welcomed** with great joy and warmth. An orientation was held followed by an extensive tour to introduce the newcomers to the working of PWA.
- Volunteers of PWA celebrated **World Education Day on 24th January 2020, with the thalassemia patients** registered at our Thalassemia Daycare Centre. The volunteers planned a short activity full of enjoyment and fun.
- PWA held its first **media meetup** on 8th February 2020
- The PWA volunteers' enormous efforts showed their bright colours on **Bakesale** day on 15th February 2020. Our chief guest for the event was Dr. Amanullah Kasim, Chairman All Pakistan Textile Mill Association. His presence added to the success of the event along with others. .
- On 23rd February , 2020 '**Healing Souls**' joined hands with PWA and visited TDC to spend time with the thalassemia patients.
- MoU was signed between **PWA and Khaskheli Tanzeem** for the promotion of voluntary blood camps.
- **Street Kitchen partnered with PWA**; allowing 20% of their proceedings to be dedicated to our cause.
- On 9th March 2020, PWA held a meeting with the honorable philanthropist chairman of the AKD group **Mr. Aqeel Karim Dhedhi**.
- On 14th March 2020, in collaboration with **Denim Prive**, PWA conducted a voluntary **blood camp**. We received an astonishing response from the donors.

HIGHLIGHTS OF ZAKAT CAMPAIGN 2020

Zakat Campaign, one of the most crucial events of PWA, which lasted from

15th March till 1st June 2020, became a huge success with an overwhelming response from around the globe.

- On 23rd March 2020, PWA collaborated with 'House of Ladies' on '**Be Kind Social Media Campaign**' to spread the message of kindness and compassion.
- On 21st April 2020, PWA reached another milestone by launching the '**Share Hope**' campaign. The campaign received an overwhelmingly positive response from the audience. Candidates who were selected for the campaign participated eagerly from spreading our message to collecting donations for our thalassemia patients.
- On 25th April 2020, volunteers of PWA presented our organization on **News One and TV One Ramzan Transmission**.
- On 19th May 2020, volunteers of PWA yet again demonstrated their diligent spirits by conveying the spirits of our organization on **Geo Pakistan**.
- The **social media** of PWA strived to highlight the services and make an appeal for funds throughout the Zakat Campaign.

The Zakat Campaign of 2020 was a huge success in terms of generating the amount of zakat and donations and spreading our message through different platforms to the people of Pakistan and abroad.

STEPS TAKEN TO COPE UP WITH THE PANDEMIC EFFECTS

- The unfortunate pandemic situation created a hindrance in blood donation. On account of **World Blood Donor Day** on 14th June 2020, volunteers of PWA observed the whole month of June as blood donation month. A social media campaign named '**Power To Save Lives**' was launched to create awareness regarding voluntary blood donations, encouraging and mobilizing the voluntary donors. **Doorstep Blood Collection Drive** was also launched to facilitate the donors.
- A **voluntary blood camp** was held in association with **Dawat e Islami** on 13th June 2020.
- Another **blood camp** in association with **Team Garden Welfare Association** was held on 14th June 2020.
- **HBL Foundation**, under their CSR project, installed a **refrigerator** in our blood bank.

- Showing their continued support, **DOW batch of 1994**, installed a **cryofuge** at our blood bank.
- To brighten the smiles of our TDC kids, the volunteers celebrated **Eid ul Azha** with them by distributing gifts.
- On 12th August 2020, volunteers of PWA went live with **Dr Abdul Rahman** (one of the founders of PWA) on account of **International Youth Day**. Dr Abdul Rahman advised the youth with his golden words on managing time and staying organized.
- On 14th August 2020, volunteers of PWA celebrated **Independence Day with our TDC kids** with great spirit of patriotism and freedom by reciting national anthems and cutting a cake afterwards.
- Starting from 24th August 2020, PWA held a creative online competition called '**Quaran-tribution**'. This healthy competition gave a chance to all of the skilled people, quarantined, to bring out their skill and art and share it with everyone.
- To keep our respected donors and alumni in loop, we started sending out regular messages and e-mails.
- On 2nd September online session on Thalassemia prevention and awareness and COVID pandemic.
- With the aim of spreading awareness around taboo topics, we took to facebook on **World Suicide Prevention Day** (10th September 2020) and went live with our esteemed guest Dr. Shahnawaz Mir to talk about suicide prevention, it's causes and consequences.
- On **International Charity Day** (5th September 2020), our volunteers went live with our guest Mr. Sidiqqe Sheikh who highlighted the importance of giving charity with some encouraging words of his.
- On 13th September 2020, PWA went live on the **Health Talk Segment on Metro One**, from our Voluntary Blood Bank.
- On 24th September 2020, we held a **counselling session for the parents of our TDC kids** with our guest speaker Dr Muhammad Saud, to talk about the information and myths regarding thalassemia.
- PWA appeared on the **Health Talk segment of Metro News with Dr Farhan Essa** to enlighten the public about thalassemia and its prevention.

- The volunteers of PWA attended **the thalassemia awareness session** arranged by **Dr Farhan Essa at the Federation House** on 30th September 2020 and highlighted the services provided by PWA.
- As part of our efforts to keep our Blood Bank smoothly running, blood camps were organized in association with **Imamia Blood Transfusion and Medical Services** and **Siddiqi Welfare Foundation**, on 14th September, 8th October, 11th October, and 25th October 2020, respectively.
- With Dr. Saima as our guest, we went live on **World Mental Health Day** (10th October 2020), with an objective of talking about struggles and concerns related to what is an otherwise taboo subject.
- TDC activity **Movie Time with Thalassemia Patients** on Saturday 31st October 2020
- Spreading awareness about a disorder that is not commonly talked about; Thalassemia, is as important as its management. Considering this, PWA organized multiple sessions about **Thalassemia awareness this year for the students of different institutes and organizations**. Likewise, an awareness session for the volunteers of Takhtee was also held on 7th November 2020.
- On 8th November 2020, Sunday, a collaboration webinar with **VFAHT** took place via Google Meet. The webinar highlighted the **Importance of the Screening of Blood and Hepatitis Awareness**.
- We also celebrated **World Children's Day**, on 21st November 2020, by going live on our Facebook page from PWA's Thalassemia Daycare Centre, - "**A Day with Thalassemia Warriors**"
- Officials from **Walmart** visited PWA.
- Volunteers of PWA had a **meeting** with CEO of Tata Industries **Shahid Answer Tata**.
- On 28th November 2020, our 39th **Annual General Body Meeting** was held via zoom. We presented our audit 2018-2019 to our generous donors, our alumni from around the globe and respected guests. Mr. Shariq Vohra, President Karachi Chambers of Commerce and Industries, was the Chief Guest of the event.
- To lighten the mood in our Thalassemia Daycare Center and make it more beautiful, **Nelson Paints** under the **CSR project** painted both the halls with beautiful wall art.

- On 5th December 2020, on account of **International Volunteer Day**, the dedicated members of PWA went live on our Facebook page to celebrate the spirit of volunteerism.
- On 8th December 2020, Tuesday, Patients' Welfare Association conducted a 2-hour Webinar - **PLENTY REDS** on the Importance of blood donation and the Blood Transmissible Diseases via Zoom.
- On the 22nd of December 2020, Tuesday, Patients' Welfare Association conducted a 2-hour Webinar- **NO MORE THALASSEMIA** on Thalassemia awareness via zoom.
- On 28th of December 2020, Patients' Welfare Association hosted an online live session on the **2nd wave of Covid-19 and its effect on mental health.**
- Blood donation is a constant need in our society. To create emphasis on blood donation and blood transmissible diseases, PWA held various sessions for students belonging to different institutes.

The year of 2020 brought great achievements for PWA and it's team. We strived to make our efforts fruitful by using platforms like digital media, social media, print media, endorsements, shows and talks and much more for promoting our cause.

FINANCIALS

TREASURER'S REPORT

By the grace of Allah Almighty, Patients' Welfare Association presents the Audited Financial Report for the fiscal year 2019-20.

In the past 42 years PWA has grown into the largest student run non-governmental, non-political organization by the efforts of enthusiastic volunteers, hardworking employees and continuous support of our generous donors and well wishers.

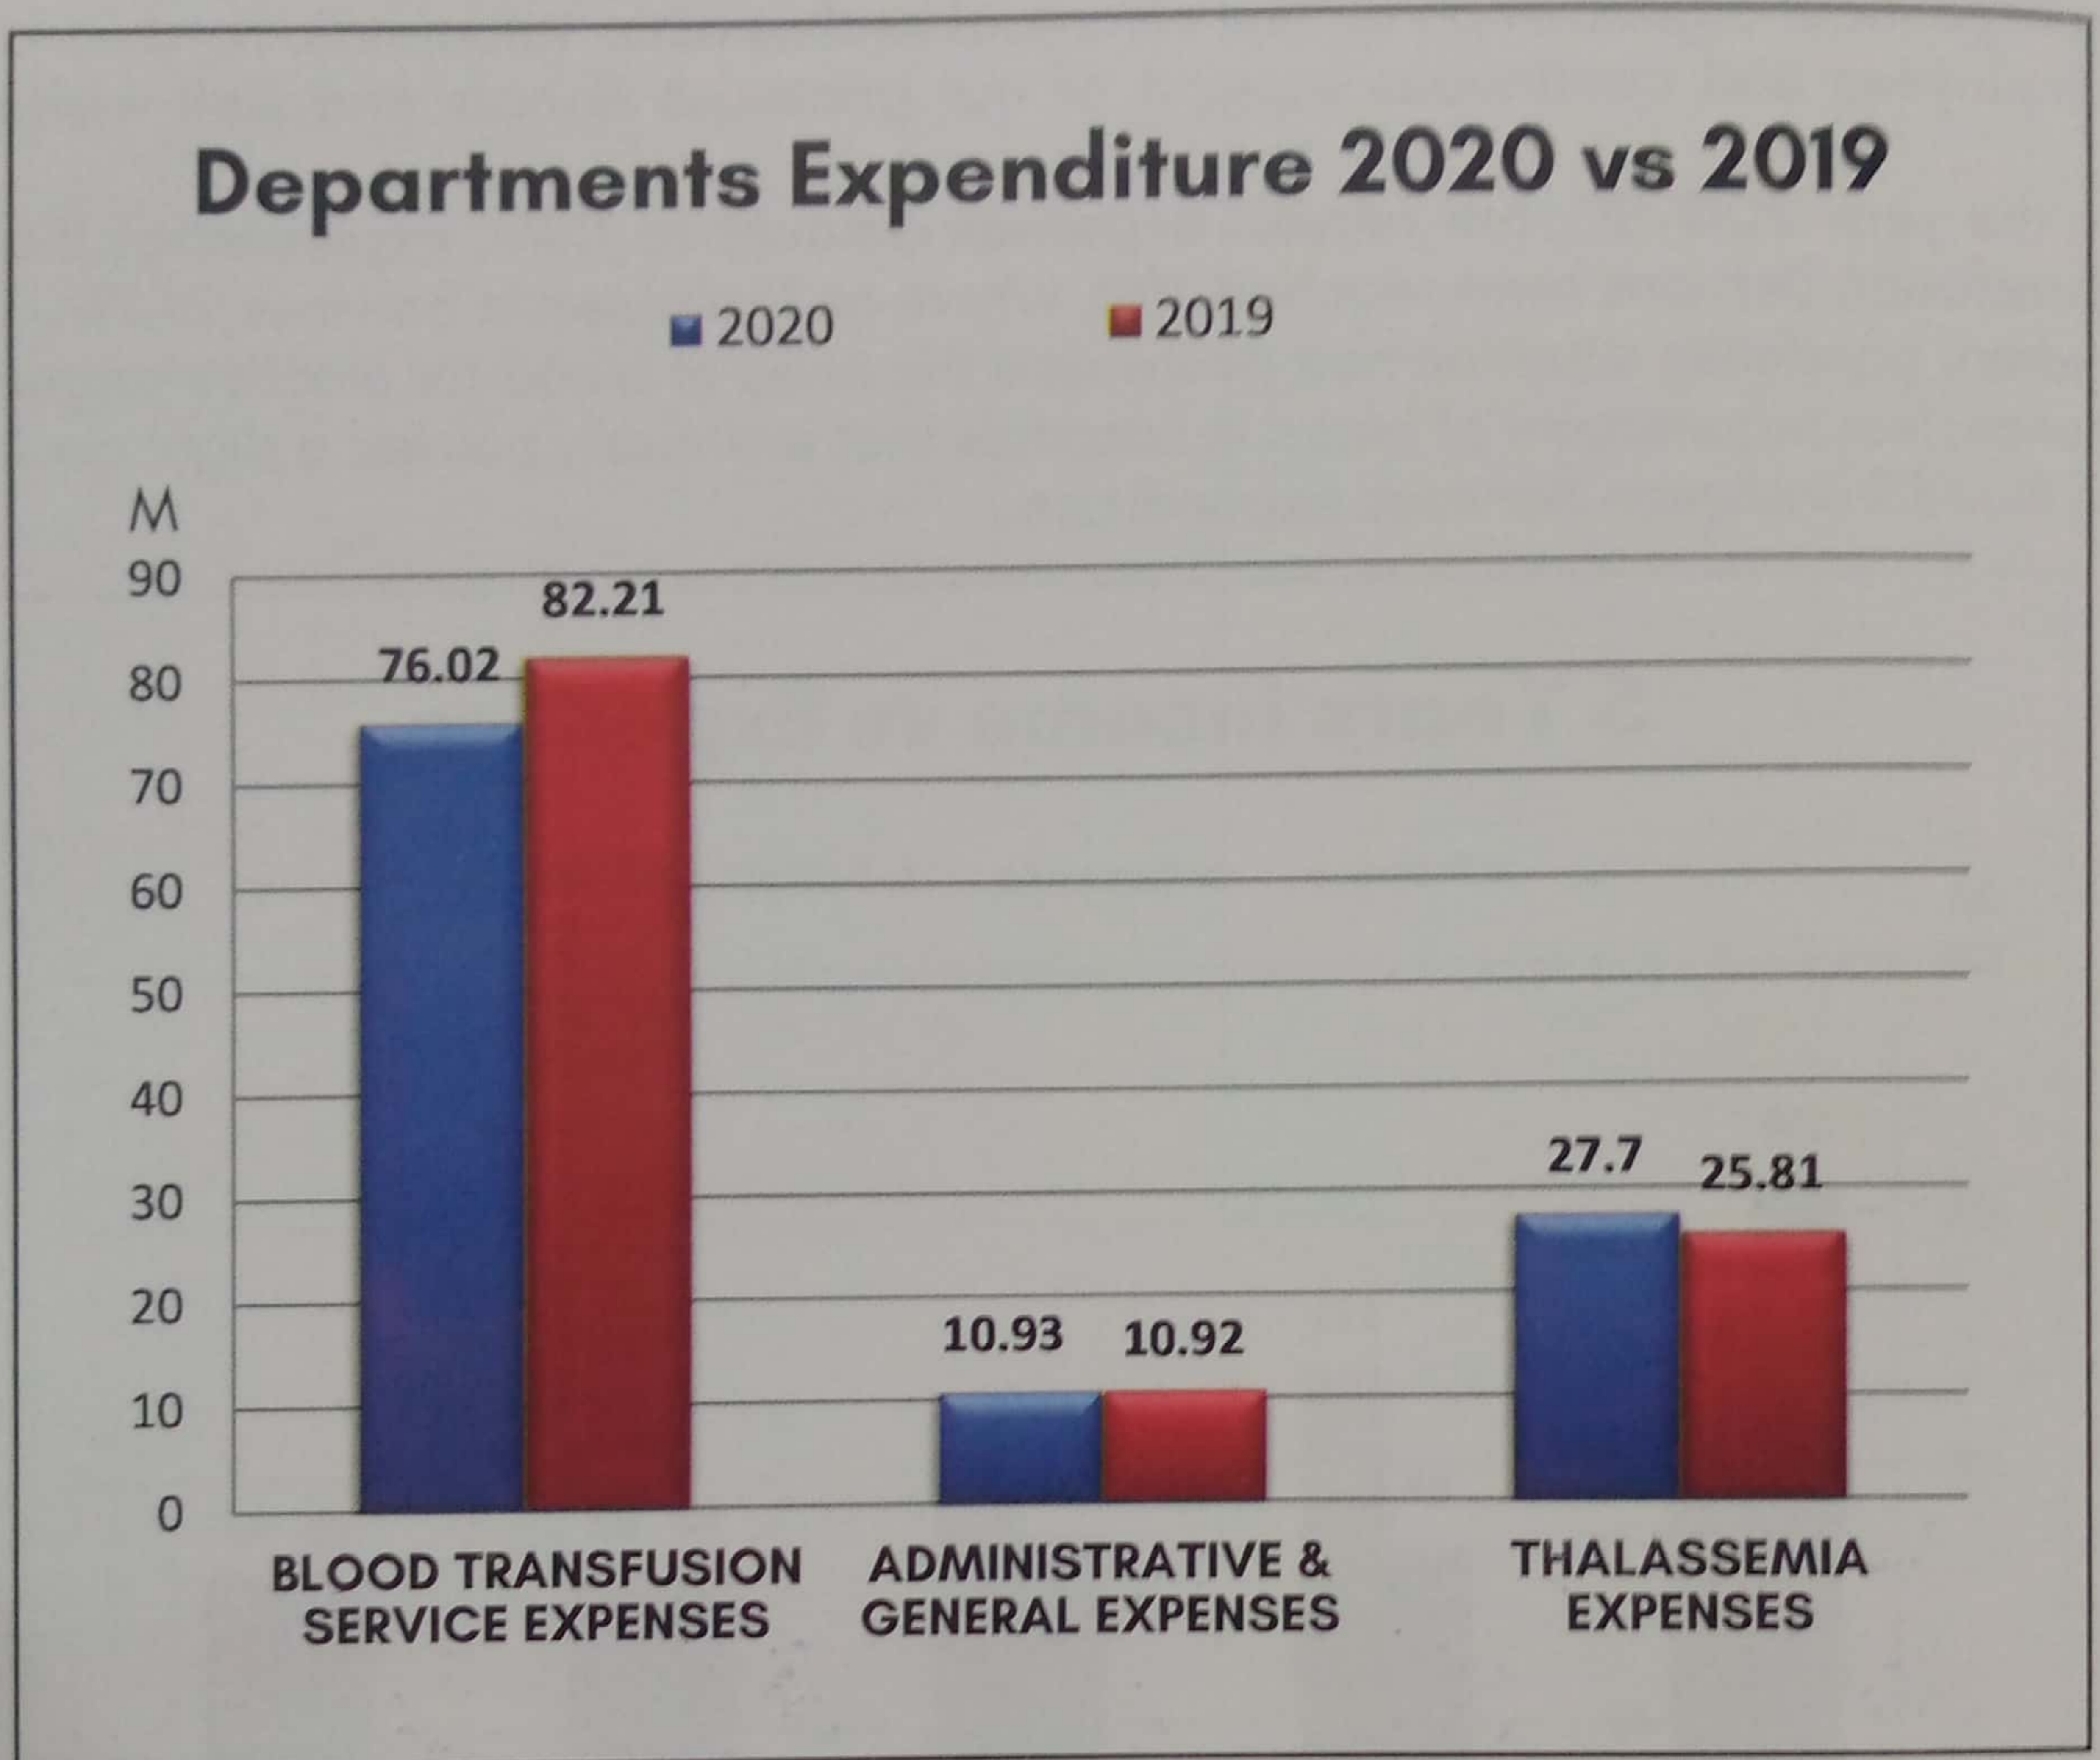

In the year 2019-20, our annual expenses amount to 118M. Expenses of Blood Transfusion Services have reached 76M, where as Thalassemia Services 27.7M. The current pandemic situation had decreased the need of blood for elective surgeries hence, less requirement of blood in hospitals that eventually caused a slight decline in Blood Transfusion Services expenditure.

Various campaigns were run by the volunteers to maintain the inflow of donations. Around 68.6M were generated in Zakat Campaign 2019. Fund raising activities were arranged, like the Mega fund-raising event - Bakesale.

Endowment fund was initiated in 2013, which has grown with support of our donors and Dowites from various batches. In year 2019-2020 the total Endowment fund

was around 27M, due to the increasing liabilities and the financial instability of the organization it was decided to breakdown the Endowment certificates to pay off the liability. Currently our Endowment Fund is around 10M. Hopefully in the near future we will achieve all the targets.

PWA is a Shariah Compliant organization affiliated with Darul Uloom Darul Ifta Karachi, through which we make sure that your Zakat and donation reaches the deserving patients.

Recently, we received Grant in Aid from the Health Department of Sindh to pay off our liabilities. We also received funds from Zakat and Usher Department Sindh. We have signed an agreement letter with Binder Dijker Otte & Co (BDO) audit firm, who will perform the audit for the fiscal year 2020-21.

The detailed audited financial reports of the year 2019-20 are attached further which reflects selfless dedication of our volunteers and staff members.

I thank you all for your continuous support. May Allah S.W.T bless PWA and help us in achieving our goals. (Ameen)

INDEPENDENT AUDITOR'S REPORT TO THE ASSOCIATION

Opinion

We have audited the financial statements of **PATIENTS' WELFARE ASSOCIATION (DOW MEDICAL COLLEGE & CIVIL HOSPITAL), KARACHI** ('the Association') which comprise the statement of financial position as at 30 June 2020 and the statement of income and expenditure account, statement of cash flows and statement of changes in funds for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements gives a true and fair view of the financial position of the Association as at 30 June 2020, and its financial performance and its cash flows for the year then ended in accordance with Accounting Standard for Not for Profit Organizations (NPOs) as issued by the Institute of Chartered Accountants of Pakistan (ICAP).

Basis for Opinion

We conducted our audit in accordance with the International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Association is responsible for the preparation and fair presentation of the financial statements in accordance with the approved accounting and reporting standards as applicable in Pakistan, and for such internal control as the Association determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Association is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

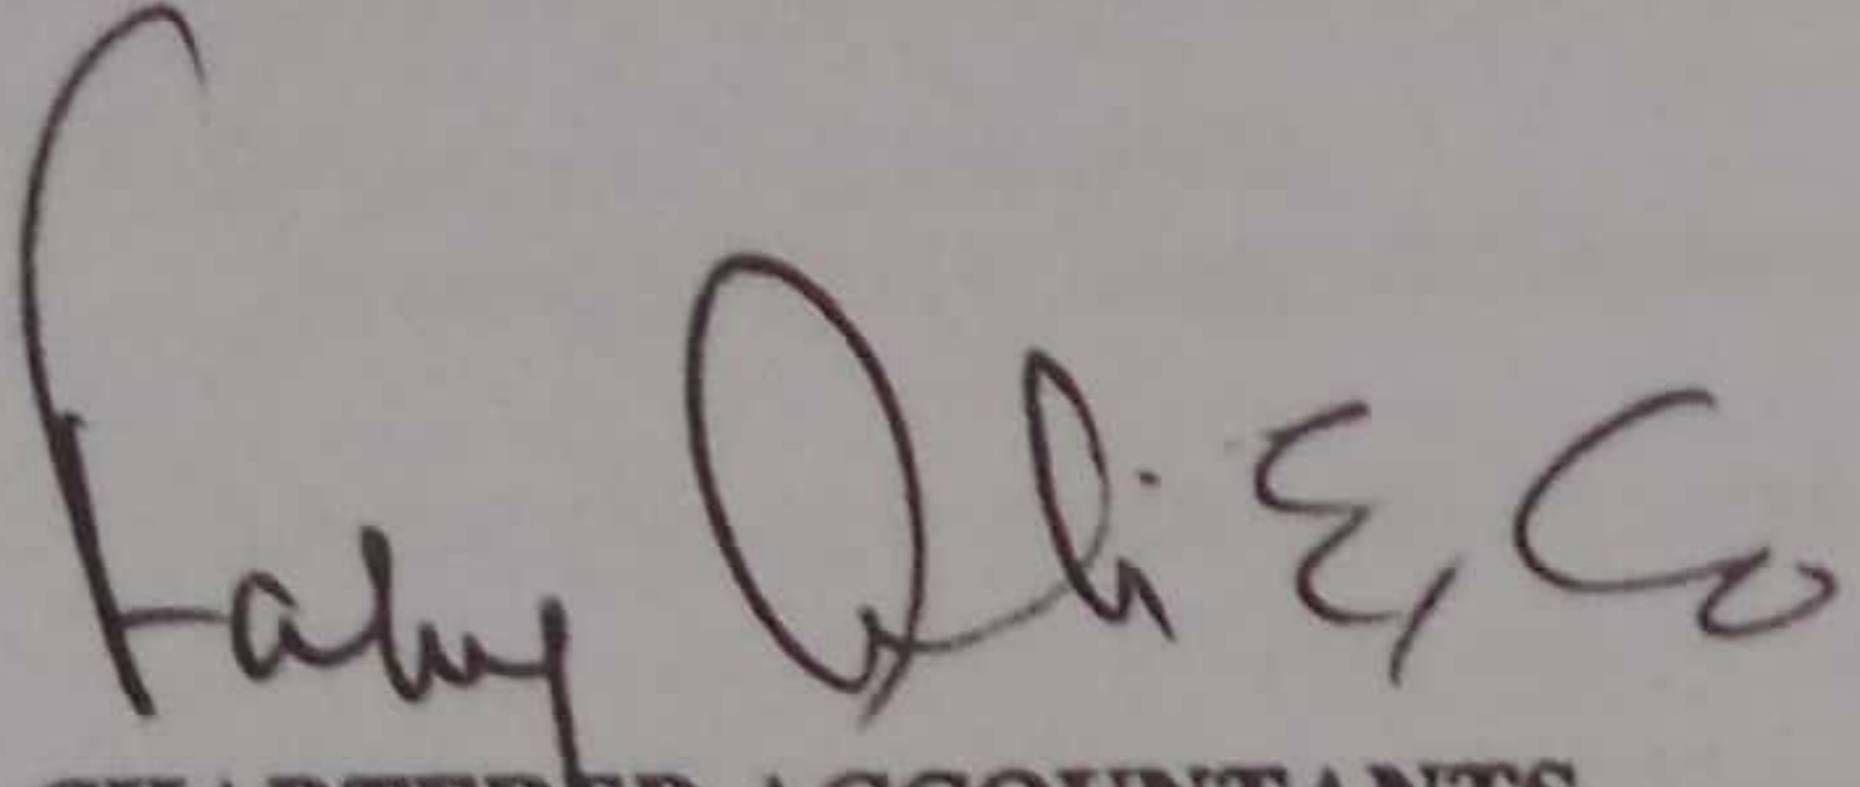

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

M. Ali

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern, if we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

PRESIDENT

PATIENTS' WELFARE ASSOCIATION
(DOW MEDICAL COLLEGE & CIVIL HOSPITAL)
NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2020

1 STATUS AND NATURE OF OPERATIONS

Patients' Welfare Association (the Association) is a Social Welfare Organization carrying out welfare activities at Civil Hospital, Karachi. The Association was established in the year 1979. It is registered under Voluntary Social Welfare Agencies (registration and Control) Ordinance, 1961 with Director of Social Welfare Govt. of Sindh vide Reg. DSW(S)/399 of 1981 dated 31 December 1981.

2 SIGNIFICANT ACCOUNTING POLICIES

2.1 Accounting system and convention

The management of association has decided to adopt accrual basis of accounting for preparation of financial statements with effect from the year ended 30 June 2003.

These accounts have been prepared under historical cost convention except as disclosed in the accounting policies herein below.

2.2 Functional and presentation currency

Items included in the financial statements are measured using the currency of primary economic environment in which the Association operates. The financial statements are presented in Pak Rupees, which is the Association's functional and presentation currency.

2.3 Foreign currency translation

Foreign currency transactions are translated into Pak Rupees using the exchange rates prevailing at the dates of the transactions. Assets and liabilities in foreign currencies are translated at the rate of exchange prevailing at the balance sheet date. Exchange gains and losses are recognised in the income and expenditure account.

2.4 Property, plant and equipment

Items of property, plant and equipment are stated at written down value. Depreciation charge is based on the reducing balance method at the rates specified in note 3 to the financial statements. Depreciation on additions is charged from the month the asset is put into use, while on disposals, depreciation is charged up to the month the asset was in use.

Normal repairs and maintenance are charged to income as and when incurred. Major renewals and replacements are capitalized and the assets so replaced, if any, are retired.

Gains or losses on sale of fixed assets are included in income currently.

2.5 Stock

Stock held (including stock in transit) is valued at cost.

Donation in kinds are recorded at their fair value at the date of donation.

2.6 Revenue recognition

Donations & Grants either in cash or in kind are recorded on receipts basis. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

2.7 Capitalization of reserve for capital expenditure

Donation for capital expenditure received for a particular fixed asset is recognized as Income when said asset is available for use .

2.8 Funds

Unrestricted funds

Unrestricted funds represents resources over which the association has discretionary control and are available for the various programs and administration of the association.

Restricted funds

Restricted funds represents resources subject to donor imposed restrictions.

Any surplus remaining in restricted funds is transferred to unrestricted funds, if permitted by the donors or agreement between the association and the donor(s).

22 CORRESPONDING FIGURES

The corresponding figures have been reclassified and rearranged wherever necessary to facilitate comparison, however there has been no significant reclassification.

23 **IMPACT OF COVID 19 ON FINANCIAL STATEMENTS**

On 11 March 2020, the World Health Organisation declared COVID- 19 a global pandemic. The COVID 19 outbreak developed rapidly thereafter with a significant number of COVID-19 cases reported globally. The pandemic has resulted in consequences on health and society and on economy affecting the earnings and cash flows of businesses, after the announcement of lock-downs by the government authorities, resulting in closure of business operations except for specifically exempted industries. The management believes that due to the pandemic the Company's operations, financial position and results have been impacted only on a temporary basis and believes that as normalcy comes about, these impacts have started to recede.

24 **DATE OF AUTHORISATION**

These financial statements were authorised for issue on 12 AUG 2021 by the General Body of the Association.

25 **GENERAL**

Figures have been rounded off to the nearest rupee.

PRESIDENT

PATIENTS' WELFARE ASSOCIATION®
NON-GOVERNMENTAL, NON-POLITICAL, DMC STUDENT RUN ORGANIZATION.

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Shariah Compliance Certificate

Introduction:

Patients' Welfare Association is a non-governmental, non-political organization, managed by the students of Dow Medical College since 1979. Located in the premises of Dr. Ruth K.M. Pfau, Civil Hospital Karachi, it currently provides two services Free of Cost.

1. Blood Transfusion Services under which PWA's Voluntary Blood Bank was established. It is the largest single outlet Blood Bank in Pakistan.
2. Thalassemia Services which includes provision of regular blood transfusions, iron chelation therapy, lab tests and supporting medicines, free of cost, to registered thalassemia patients in Thalassemia Daycare Centre (TDC).

Mechanism of utilization of Zakat:

The organization's financial needs are being covered by Zakat and Donations, that individuals and corporate throughout the world contribute towards. A qualified scholar / mufti verifies the patients' financial condition and declares if they are Zakat deserving or not. If found deserving, permission is taken by the scholar / mufti for Zakat collection, which is then spent accordingly on the patient. Under these limits, the organization uses Zakat and Donation funds very carefully.

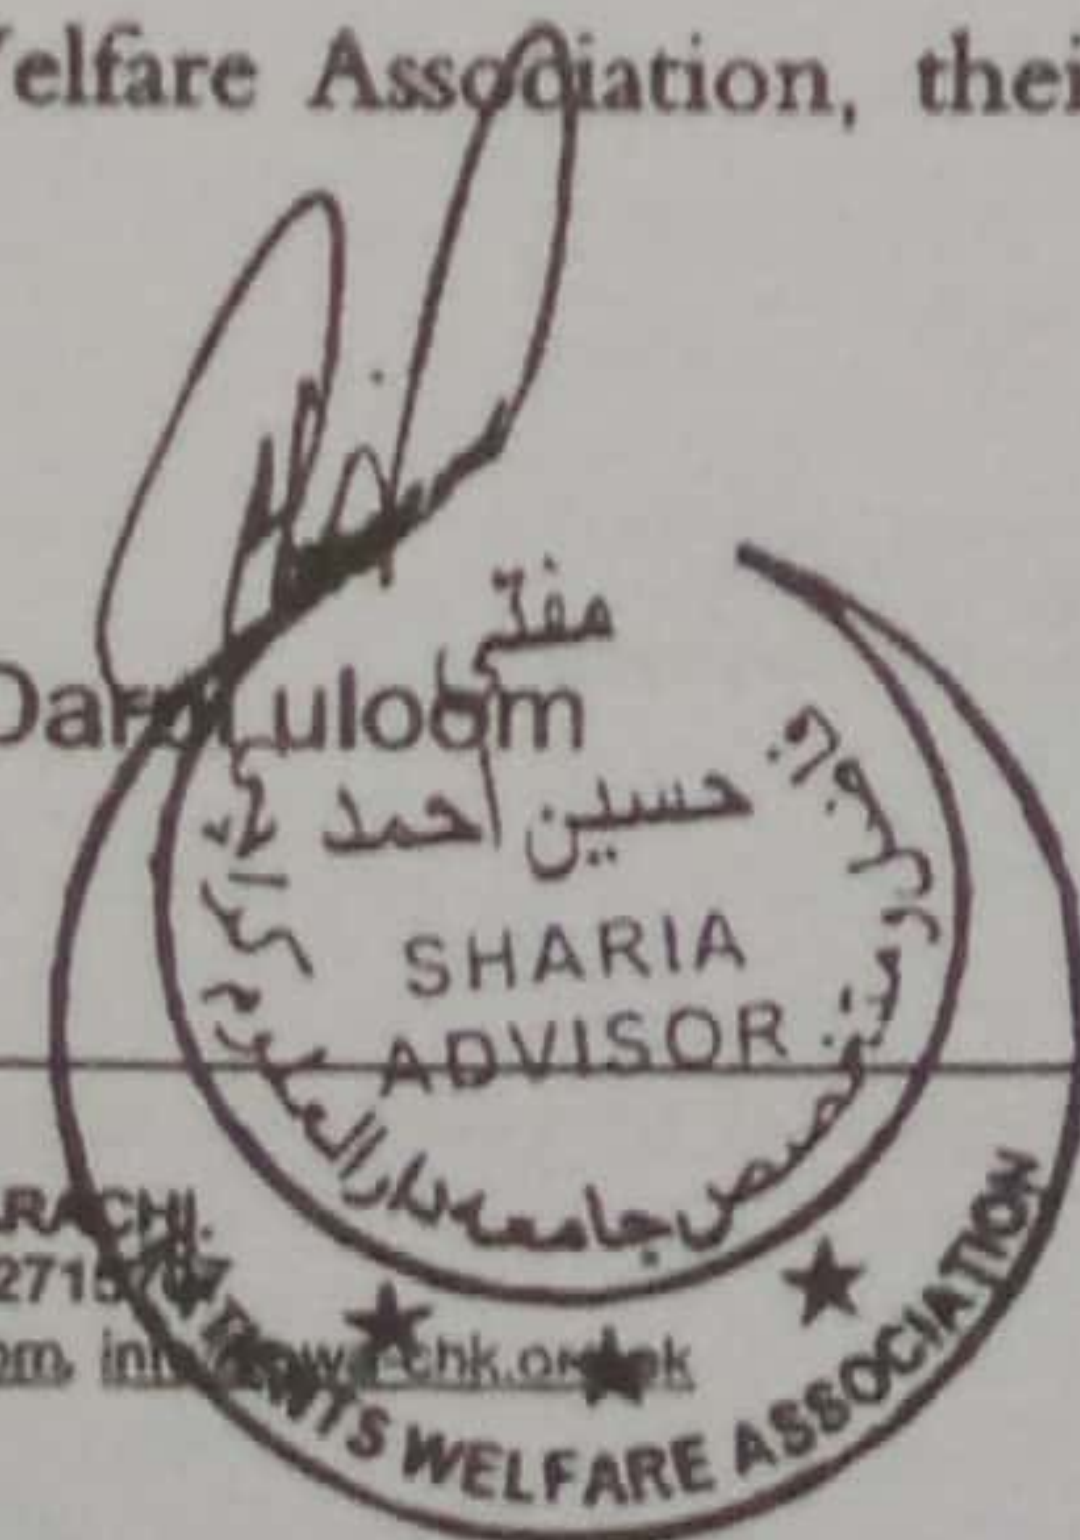

Shariah Ruling:

It is thereby certified that in the capacity of Shariah, we reviewed the procedures adopted by Patients' Welfare Association for collection and utilization of Zakat. We confirm that Patients' Welfare Association is collecting and spending Zakat fund in accordance with the principals of Islam as defined in the instructions of Shariah. It is also confirmed that whosoever will give Zakat to Patients' Welfare Association, their Zakat will be paid as per Shariah point of view.

HEALING, CARING AND SHARING

What is it that makes us humans and not a mere machine made up of flesh and blood? To those at PWA, the answer is compassion, emotions, and empathy. Feelings are what makes us human.

This year when the world encountered a deadly pandemic, countless deaths, and the loss of livelihood collaterally dominated, we managed to pull through. How did we manage to do that exactly? It was only possible because of the generosity by which everyone involved in their respective capacity could come forward to help. Even through all the prevailing poverty, hope continued to exist. There was darkness, but there was also light at the end of the tunnel.

It is difficult to comprehend that even with the smallest of means, our collective endeavors can bring a huge change in someone's life. It really does reflect when someone on the verge of dying is bestowed back a life, or when hopeless family members cling to hope when they know that you are there to help.

*We at PWA, bridge the gap between humans and humanity and strongly believe that when people with selfless devotion and pure intentions of helping mankind come together, magic happens. Therefore, we urge you to join us in our cause. Because **'together, we can make a difference'**.*

MESSAGE

Like every year, this year again I am humbled to write this message for the Annual Souvenir of Patients' Welfare Association.

Since 1979, the compassionate students at Dow Medical College have shown their commitment to serve humanity by volunteering to help those in Dr. Ruth K.M Pfau Civil Hospital Karachi. They have embodied the motto "We feel, we serve".

The organization has excelled over time due to the hard work and diligence of the volunteers. Today, Patients' Welfare Association is standing proud with its two working departments; the Blood Transfusion Services and Thalassemia Services. I say this with pride that the PWA's Voluntary Blood Bank is accredited to be the largest in Karachi and does not only cater to the needs of those in Dr. Ruth K.M. Pfau Civil Hospital Karachi, but also over the city. It dispatches 200-250 blood bags daily, free of cost. Our Thalassemia Daycare Centre has around 250 registered patients who are provided with screened blood, iron chelation therapies, and necessary medications, without any charges. These services are supervised by professionals, hematologist, medical officers, and trained nurses.

This organization also aims to spread awareness about thalassemia and it has been successful in doing so by holding many seminars to counsel parents and edify the youth.

The association is also proud to play their role in nurturing the students who volunteer. The students not only become proficient in handling medical matters, but also learn how to manage events and to counsel. Volunteering for this association instills in them the passion for charitable projects and the spirit of humanitarian work that they carry throughout their life.

Towards the end of my message, I would like to commend the assiduousness of the volunteers and employees who worked hard, despite the Coronavirus Pandemic, to spread awareness while ensuring strict SOPs. They put in all the added efforts to make sure that those in need are well taken care of and are out of danger, which is highly praiseworthy.

As a patron in chief of this welfare organization, I would like to take this opportunity to thank all the altruists who have supported us and continue to do so.

I am grateful that by the grace of Allah Almighty, this humanitarian project that started a little more than four decades ago, has thrived throughout the years with His help. May this association continue to grow, and His blessings are always with all our team.

Ameen

RECORDS AND REGISTRATION

Patients' Welfare Association has been a very important part of my life over the past few years, on both a personal and collective level. For me, it is more than just an organization; it is a family of committed and diligent volunteers who are dedicated to serving humanity.

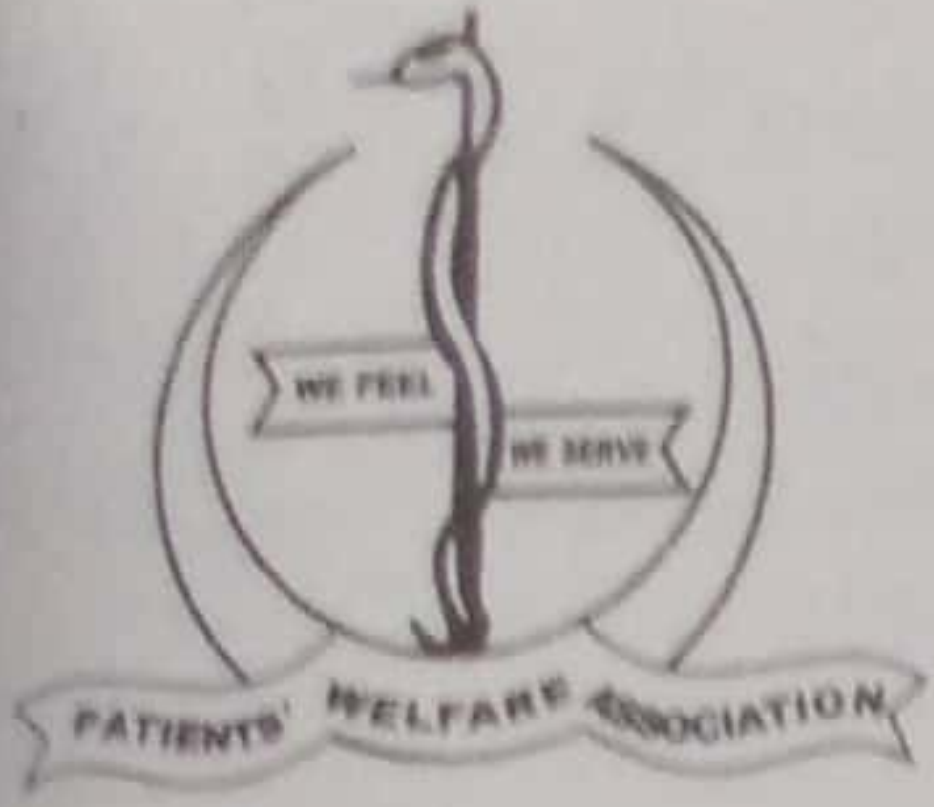

PWA has been a beacon of hope for countless people for the past 41 years and has continued to make a difference in their lives. I am immensely proud of everything we have achieved over the years.

Especially this year, whether it is expanding the area of our voluntary blood bank, or the introduction of tube grouping method in correspondence to AABB guidelines, PWA has enhanced its system of working. Moreover, we have also worked with several different organizations to mutually promote our cause in recent years. Even during these troublesome times of the Covid-19 Global Pandemic, our volunteers and staff have worked with the same devotion and zeal to keep providing quality services for the people in need.

In the current period of economic instability and increasing inflation, we can only grow and prosper through the assistance of our generous patrons, who we are nothing without. Lastly, I hope that PWA keeps thriving to expand and serve more people and I pray that it accomplishes all of its future missions!

Shadmah Khan,
President,
Patients' Welfare Association.

MESSAGE

Writing for PWA, which has travelled miles now since it came into being, is always an immense pleasure for me. The reason behind its growth and achievements are our tirelessly working volunteers and their devotion, our generous donors who keep our cause alive and enable us to maintain our standard of treatment, and our dedicated staff, whose services are detestable.

The aim of Patients' Welfare Association is the key idea of an empathy-propelled mission of serving underprivileged patients with quality care treatment that they are often deprived of. PWA provides a unique opportunity for the students to help them create a positive difference in our society. This year, especially in the time of the COVID-19 pandemic which was engulfing lives, PWA continued to provide its services and treatments for all those in need, with the same avidity and enthusiasm.

My best wishes are always with PWA, its volunteers, its donors, and its staff. I pray and hope that PWA keeps reaching new heights of success and continues to grow with the endless efforts and time put in for this noble cause. I would also like to motivate everyone to join their hands together so that we could make this world a better place for all of us.

Prof. Abdul Bari Khan,
Secretary,
Board of Governors,
Patients' Welfare Association.

Dr. Ruth K.M Pfau
CIVIL HOSPITAL
Baba-e-Urdu Road, Karachi,
Dated 25 May, 2021

Message

It gives me immense pleasure to express my views/ message about Patients' Welfare Association (Regd.) for their Annual Souvenir 2020.

It is a fact that PWA is the only organization in this hospital which provides Blood Transfusions Services as well as Thalassemia Services to the patients of this hospital free of cost since more than 40 years.

No doubt our enthusiastic youth generation, runs this Association with great potential and collective efforts and provide highly commendable services to the patients of Dr. Ruth K.M.Pfau Civil Hospital Karachi.

It is also a fact that PWA Blood bank has its significant role regarding their particular services, to run this hospital smoothly and their devoted services are great opportunity for this hospital as well, since there is no any other blood bank established by the Government in this hospital (however, the process for the same is yet in pipe line). Although the team of PWA always meets great challenges to overcome the needs of this hospital either during great mass disaster situation when large number of patients need blood, or during the COVID-19 pandemic, when there is acute shortage of the Blood samples to meet day to day need of this Tertiary care hospital. But this is the faithfulness and devotion of the PWA's youth who always defeat every challenging situation with their splendid determination.

We wish all the best to PWA and their every worker for the future and hope for the best for them to accomplish this noble and collective cause in respect to serve the ailing humanity.

Message

It is truly an honor to write a souvenir about **Patients' Welfare Association (PWA)**.

Since the inception, **PWA** has worked tirelessly and diligently to serve the purpose of its existence. It has played a vital role for over 41 years in improving the healthcare and wellbeing of everyone who has ever come acrossed specially in blood transfusion, upgradation of screening technology and Thalassemia services.

The best part of this organization are its staff and volunteers who are true gems of **PWA**, who work endlessly and with utmost dedication to serve people who are underprivileged. The role of donors is also applauded.

My best wishes and prayers that **PWA** will continue its noble mission for years to come.

Prof. Amjad Siraj Memon

پی ڈبلیو اے۔ ایک مختصر تعارف

پیشکش ویلفئر ایسوسی ایشن (PWA) شعبہ صحت، ایک ایسا غیر سرکاری اور غیر سیاسی فلاحی ادارہ ہے جو گزشتہ 41 برسوں سے انسانیت کی بے لوث خدمت کرتا آ رہا ہے۔

اس ادارے کی بنیاد خدمت خلق کا جذبہ رکھنے والے ڈاؤمیڈیکل کالج کے تین ہونہار طالب علموں (ڈاکٹر عبدالرحمان، ڈاکٹر عنایت حسین تھاور، ڈاکٹر اقبال نور محمد) نے اس وقت رکھی جب معاشرے کو PWA جیسے بے لوث ادارے کی اشد ضرورت تھی۔

ابتداء میں یہ ادارہ ادویہ کے ایک کیبنٹ پر مشتمل تھا جو سول اسپتال کراچی میں زیر علاج مریضوں کو مفت دوائیں فراہم کرتا تھا۔ وقت کے ساتھ ادویات کی اس کیبنٹ کو ترقی دے کر مختلف شعبے قائم کیے گئے۔ جن میں ڈرگ بینک، بلڈ بینک، اور دیگر شعبے شامل ہیں۔

یہ محض ایک ادارہ نہیں بلکہ خود میں ایک تحریک ہے جو 1979 میں تین طالب علموں سے شروع ہوئی اور ہر سال اس میں ڈاؤمیڈیکل کالج کے طلباء و طالبات بطور رضا کار شامل ہوتے ہیں اور آگے بھی ہوتے رہیں گے۔ گویا PWA کی کہانی کچھ ایسی ہے کہ

تین وہ مل کر چلے تھے جانب منزل مگر

لوگ ساتھ آتے گئے اور کارواں بنتا گیا

دور حاضر میں PWA کے زیر نگرانی دو شعبہ یہ کارِ خدمت سرانجام دے رہے ہیں۔ ایک بلڈ ٹرانسفیوژن سروسز اور دوسرا تھیلیسیمیاسروسز ہے

بلڈ ٹرانسفیوژن سروسز:

PWA کا اہم ترین شعبہ والینٹری بلڈ بینک ہے جس کی تشکیل سن 1982 میں ہوئی۔ یہ ادارہ بلا معاوضہ جدید ٹیکنالوجی سے جانچا گیا صاف خون حادثات کا شکار ہونے والے اور خون کی مختلف بیماریوں میں مبتلا

مریضوں کو مفت فراہم کرتا ہے۔ اس ادارے سے ہر روز تقریباً 200-250 بلڈ بیگز بالکل مفت فراہم کیے جاتے ہیں جو عالمی ادارہ صحت کے قواعد کے مطابق ایڈز، ہیپائٹائٹس، ملیریا، آتشک کے جراثیم سے مکمل طور پر پاک ہوتے ہیں۔ PWA ان تمام لوگوں کا تہہ دل سے شکر گزار ہے جو خون عطیہ کر کے مریضوں کی زندگیاں بچانے میں ہمارا ساتھ دیتے ہیں۔

تھیلیسیمیا سروسز:

PWA کی زیر نگرانی دوسرا شعبہ تھیلیسیمیا سروسز کا ہے جو 2011 میں قائم کیا گیا۔ تھیلیسیمیا ڈے کیئر میں فی الوقت 240 تھیلیسیمیا کے مریضوں کو بہترین ڈاکٹرز کی زیر نگرانی مفت علاج فراہم کیا جا رہا ہے۔ ان تمام مریضوں کو باقاعدگی سے صاف خون منتقل کیا جاتا ہے۔ اس کے ساتھ ادویات، بلڈ ٹیسٹ اور مختلف چیک اپ کی سہولت بلا معاوضہ فراہم کی جاتی ہے۔ ہر ایک مریض کے لئے سالانہ تین سے پانچ لاکھ کی رقم درکار ہوتی ہے۔ آپ سے تعاون کرنے اور ہمارے مقاصد کو دوسروں تک پہنچانے کی درخواست کرتا ہے تاکہ ہم ان بے سہارا بچوں اور مریضوں کی مدد کرتے رہیں اور بھر سکیں انکی زندگی رنگوں سے۔۔۔

اپیل

گزشتہ اکتالیس برس سے پی۔ ڈبلیو۔ اے ضرورت مند مریضوں کو مندرجہ بالا تمام سہولیات بلا معاوضہ فراہم کرنے میں مشغول و مصروف ہے۔ انسانی خدمت کے جذبے سے سرشار ہو کر کیے جانے والے اس فلاحی کام کو پوری تندہی سے انجام دینے کے قابل ہمیں آپ کے ساتھ نے بنایا ہے۔ جس طرح کورونا وائرس کی عالمی وبا کی وجہ سے یہ سال تمام دنیا کے لیے انتہائی مشکلات میں گزرا، اسی طرح پی۔ ڈبلیو۔ اے کے لیے بھی یہ ایک نہایت مشکل سال تھا، مگر سب کچھ پر خلوص جذبے اور بروقت امداد کے ذریعے پی۔ ڈبلیو۔ اے اس مشکل وقت میں بھی پُر جوش انداز میں اپنی خدمات سرانجام دینے میں کامیاب رہا۔ اس سلسلے میں پی۔ ڈبلیو۔ اے اپنے کرم فرماؤں، پُر عزم سرپرستوں، بے لوث ہدیہ دہندگان اور باقاعدگی سے اپنا خون عطیہ کرنے والوں کا نہایت شکر گزار ہے اور آپ سب سے یہ درخواست کرتا ہے کہ جس طرح ہمارا یہ کارواں آپ کے تعاون کی بدولت مشکلات کو آج تک حل کرتے ترقی کی راہ پر گامزن ہے، آئندہ وقتوں میں بھی اپنے صدقات و عطیات کے ذریعے اُن مریضوں کی بروقت مدد میں ہمارا ساتھ دیجیے جن کی امیدیں آپ ہی سے وابستہ ہیں۔

جو خدمتِ خلق کرتے رہے وہ روزِ محشر

مانند برقِ پلِ صراط سے گزر جائینگے
